

expert source PRO

A cloud-based workforce solution connecting publishers with experienced freelance contributors worldwide.

Work with Us

Gain instant access to a specialized freelance pool

Reduce time to hire

Manage every aspect of your freelance workforce

Improve productivity and quality

Why

Publishers can quickly find, hire, manage, and pay freelance talent with specialized skills.

What

ExpertSource Pro connects employers with experienced content professionals such as writers, copy editors, proofreaders, subject-matter experts, project managers, indexers, instructional designers, graphic designers, artists, programmers, and more.

How

Businesses can search for qualified freelancers based on a wide range of criteria, evaluate their skill levels through project ratings and certification/badging, assign work through an easy-to-use dashboard, and process invoices for payment.

The Details

Onboarding

Access Talent Pools

Still Deciding?

- Cloud-based workflow solution
- New freelance talent onboarded weekly with support from Lumina Datamatics' professional recruiting experts
- Full transparency via easy-to-understand dashboard and reporting
- Review and process invoices quickly
- Scale business with speed and ease

Stats You Need to Know

How It Works

Select the Right Candidate

- Filter candidates based on skills, subject area, location, language, and more
- Review candidate's historical performance data
- Access resumes and sample work
- View candidate availability via calendar feature

Manage Freelance Resources

- Assign and manage multiple types of projects
- Scale-up projects quickly
- Apply performance ratings using a simple 3-point system
- Easy, secure invoicing & payment for completed work managed directly in the platform

Control Costs

- Freelance profiles show target compensation rates upfront
- Matching feature allows comparison of multiple candidates
- Downloadable reports offer details on overall spend, filterable in a variety of ways

Lumina Datamatics is a strategic partner to global publishers and e-commerce retailers, providing content, analytics, and technology solutions. We enable publishers to be at the forefront of digitalization by managing the entire publishing process – from content creation to product delivery, including feedback from readers and buyers. Lumina Datamatics' expert solutions are a combination of its various in-house platforms, partnerships with global technologies, and more than 2800 professionals spread across Germany, India, and the United States. This global footprint services our customers across four continents: North America, Asia, Australia, and Europe. Visit luminadatamatics.com or go to LinkedIn for more.
