

Accessibility Services

Lumina Datamatics is passionate about ensuring that new content is born accessible and that existing content complies with current accessibility standards. Our team of experts creates and deploys accessible content across multiple digital platforms and devices for various organizations, ensuring that they meet the evolving Web Content Accessibility Guidelines (WCAG) standards.

Why Lumina Datamatics?

Lumina Datamatics' experienced team of Subject Matter Experts (SMEs), developers, and accessibility specialists crafts customized solutions to ensure your content complies with all current legal standards and is accessible to users of all types.
